Issue: Aug 2018

Vol 2018-08

From the President's Desk

Dear Members;

Hope you all had a good month and got some modeling in over these hot summer days. We are still going strong with our show preparations, as we have secured a block of rooms for the show which I announced in the last newsletter. The contact for these is:

Booking Link: Butch O'Hare Modelers Class

Booking Code: BOM

If you have a problem on line, please call the hotel at 630-773-2342.

As an update, we now have a room rate of \$85.00 per night. Please pass the word to those that may be coming in from out of town.

September is the club auction night. So, save your money, bring your old, extra, outdated, models for the auction. We will plan on having our usual show and tell and then get into the auction activities. **Cash only!!!** If you have not paid your dues, please do so at this month's meeting. We need to have everyone current. If you have a question, please see Hector.

One more thing to think about: Elections are coming up. We will have nominations in October; Elections will be in December; more on this at the meeting.

In the September issue of Fine Scale Modeler, there was an editorial and a great article on Gaming Miniatures and more. I thought that this was unique in the fact that we put a category in our show for Fantasy and Gaming Miniatures and it was a success! These folks that paint these miniatures are very talented. There is a great article on a fantasy diorama as well. If you haven't obtained a copy of this Fine Scale, pick one up. There's some great information.

See You at the Meeting!

Frank C.

DEBRIEF FOR CLUB MEETING ON 8-7-18

The August meeting was attended by close to twenty members. A nice display of models including, SciFi, Autos, Ships and a figure along with the usual number of great Aircraft builds.

Planning for the November contest is proceeding well. We have an initial table layout for the new venue and the vendor table count continues to grow.

Take a look at page 10. Don Grajek brought in some photos from a time long, long ago!

Also this is a reminder that the annual club auction will be held at the next meeting on September 14. This is a great way to add some "churn" to the stash by donating some kits you are no longer interested in building, and acquiring some new stock! Please bring in a kit or two and some cash for those new treasures.

Hope to see you all in September.

IPMS Region 5 News

I am just back from a quick trip out to the Nats in Phoenix and wanted to pass on a few things.

First, it was a good show. Even though I was on limited time, I got to see some great models and the vendors got a bit of my money. It was nice to connect up with a few of you at the show

Second, if you weren't able to come to the National meeting, go to the IPMS/USA website and the presentation will be there soon. (it might be already) Bottom line, the society is in good shape. Financially we are healthy and are just about at break-even on our yearly income and expense, and we have plenty or reserve in the bank. (remember, as a non-profit, our goal is to be close to break even every year.) Membership is on the upswing. Thanks to all of you who have helped out. Please continue to recruit to get more of your local membership to join the national organization. If your club has a local show, set up and IPMS recruiting table. I'll send you some flyers and Journals to help recruit.

Finally, Chapter Charter renewal time is just around the corner. Please make our DLC's job easier and get the renewal done promptly.

That's it for now.
Happy Modeling!
Jim Coatney

IPMS / USA

IPMS / USA membership qualifies you to participate in IPMS/USA sanctioned contests, particularly our world-famous National Convention, held each summer. As a member, you'll also be able to access our online discussion boards, where a wide variety of modeling topics are discussed, and enjoy interaction with other serious modelers for help with questions about modeling techniques or IPMS in general. Many hobby shops and model vendors around the country offer discounts to IPMS/USA members.

Memberships are available in several ways:

Junior- 17 years or younger, \$17 per year

Adult - \$30 for 1 year, \$58 for 2 years, \$86 for 3 years.

Family - \$35 Adult membership 1 year plus \$5 for multiple cards.

Download the application from IPMS/USA and mail today! <http://www.shopipmsusa.org/category-s/100.htm>

The **Butch O'Hare Chicago Chapter** of the International Plastic Modelers Society (**IPMS**) was inspired by the accomplishments and **heroism of Edward Henry "Butch" O'Hare**, the U.S. Navy's first flying ace and Medal of Honor recipient in World War II. The original members of the organization therefore decided to take his name in memoriam. We welcome all those who have any level of interest in modeling to explore our web site and visit us at our monthly meeting.

The American Air Museum in Britain is a web site that is dedicated to USAAF in WW2 Britain.

<http://www.americanairmuseum.com/aircraft>

A-4 Skyhawk Association is a web site dedicated to the Skyhawk.

<http://a4skyhawk.info/>

Although you need to join for full access, there is plenty of free material and pictures. At the very least view the YouTube video link below. <https://www.youtube.com/watch?v=QZRDVn51qel&feature=youtu.be>

Not only is this a tribute to the A-4 but there are plenty of shots of other classic Navy aircraft. This is a great site if you're modeling "Scooters".

The RSID Fleet Library site was submitted by Ihor for ship builders. It discusses and provides plans and photos of US Navy Dazzle paint schemes.

<http://dazzle.risd.edu/>

I'll leave with one final web site.

Replica In Scale is a blog that has interesting comments and stories about modeling and aviation. There are many historical photos of USAF & USN aircraft from WW2 to the present. The link is to the latest issue:
