Vol 2018-12

From the President's Desk

Dear BOH Members,

It was a great holiday party and I hope that you all had a nice time. The food was great and the white elephant gift exchange was a lot of fun. Hopefully, the club can do it next year and more folks will get involved.

As we discussed at the meeting, and voted on, we will try and get to the Holiday Inn to reserve our spot for the show in Nov. Before you know it, the show will be right on top of us. We will need to get the flyers out as soon as we get the date reserved.

We did have a vote, and the current officers, except for me, will be staying on. Hopefully someone will step up to take over the Presidents job.

We are now into a new year, it would be good if we could have some demo's this year on tips and tricks that you might have up your sleeve that makes your modeling easier. Let Hector know at the next meeting if you could show us something and when you would like to do it.

OK, well that is it for now, talk to you guys at the next meeting!

Frank C.

The **Butch O'Hare Chicago Chapter** of the International Plastic Modelers Society (**IPMS**) was inspired by the accomplishments and **heroism of Edward Henry "Butch" O'Hare**, the U.S. Navy's first flying ace and Medal of Honor recipient in World War II. The original members of the organization therefore decided to take his name in memoriam. We welcome all those who have any level of interest in modeling to explore our web site and visit us at our monthly meeting.
