Vol 2019-1

From the President's Desk

Dear BOH Members,

I hope all of you are keeping warm and having time to build with this cold weather. Hopefully, by the time our meeting rolls around, the cold weather will be behind us, at least this latest round. Sorry I have missed the last couple of meetings. I have been traveling for work and have been out of town. Thanks for those who filled in for me while I was gone. By the time the next meeting comes along, we will have secured our space for the BOH Show in November. I will update everyone at the next meeting with the dates, and next steps.

We need to think about some activities for the meetings during the year. Let's discuss during the meeting and get some ideas out on the table. I would hope that we can get some folks to step up and give a demo, or discussion. That would be great!.

That's all for now, see you at the next meeting.

Frank C.

The **Butch O'Hare Chicago Chapter** of the International Plastic Modelers Society (**IPMS**) was inspired by the accomplishments and **heroism of Edward Henry "Butch" O'Hare**, the U.S. Navy's first flying ace and Medal of Honor recipient in World War II. The original members of the organization therefore decided to take his name in memoriam. We welcome all those who have any level of interest in modeling to explore our web site and visit us at our monthly meeting.
