

MONTHLY NEWSLETTER

Issue: March 2019

Vol 2019-3

From the President's Desk

Dear BOH Members

I hope all of you enjoyed last month's meeting. The contest theme was well attended, the raffle was good, and the demos went really well. This month's theme is called simply "What If?". This theme could have plenty of subjects both military and non-military, so put your thinking caps on and let it rip!. Don't forget that you can win \$25.00 for your model on the table!. Last month's winner was Carl Knable for his in between the wars airplane.

For this month's raffle, we have three different items: a 95 piece airbrush ready Figure paint set by Badger Air Brush Paints, a Rivet Maker tool from Trumpeter with four different size wheels, and a resin figure "Surveyor" by Collapse Industries. Interesting stuff and all for a small price! Tickets will be \$1 each and 5 for \$3.00. Hope you buy a ticket(s) and you are the lucky one. Thanks to all who participated at the last meeting.

This month's presentation is by Kevin Stover. He is going to show how he does panel lines with a pencil! It should be a good program and hope all of you will participate. We had a good turnout for last month's demo on different paints. There were a lot of questions and suggestions by all who were there. Check out our agenda for upcoming themes and seminars.

The show is going along well. I want to introduce to all of you that we will have a theme for this year's show and a special award as well. The theme will be the Celebration of 50th Year Anniversary of Man's Landing on the Moon. Many possibilities for model entry and we are already working on the award which will be a special salute. I hope you take the time to think this one through and build a model to celebrate this event. More to come on this later.

With Spring around the corner, I hope you have a chance to get some modeling done. See the Meeting Agenda inside this issue of the newsletter.

See you at the next meeting!

Frank C.

IPMS Region 5 News

Greetings Chapter Contacts,

Below is some pertinent information regarding Region 5; please share with your club members.

1) Last Saturday (March 2) was the Region 5 Contest, hosted by the Mad City Modelers. Despite questionable weather, turnout was great and the quality of models on the tables was AMAZING. I'm attaching a PDF file showing all of the category and 'Best of' winners. In all, there were 112 modelers entered in the contest, and 542 models.

2) Speaking of the Regional, bidding for the 2020 Region 5 contest is open now. This is a great way to get exposure for you club. If you club is interested, send me a note along with what you club can do to make the contest successful (resources, venue, etc).

3) I am also looking for nominations for Region 5 Chapter of the Year, Website of the Year, and newsletter of the Year. I've only received a few so far. Please submit nominations to me ASAP.

4) I'm attaching information for the upcoming NIMCON 8 contest. If you would like me to send out information to the region for your club's shows, please let me know.

That's it for now.

Happy Modeling!

Jim Coatney
IPMS USA region 5 Coordinator

IPMS / USA

IPMS / USA membership qualifies you to participate in IPMS/USA sanctioned contests, particularly our world-famous National Convention, held each summer. As a member, you'll also be able to access our online discussion boards, where a wide variety of modeling topics are discussed, and enjoy interaction with other serious modelers for help with questions about modeling techniques or IPMS in general. Many hobby shops and model vendors around the country offer discounts to IPMS/USA members.

Memberships are available in several ways:

Junior- 17 years or younger, \$17 per year

Adult - \$30 for 1 year, \$58 for 2 years, \$86 for 3 years.

Family - \$35 Adult membership 1 year plus \$5 for multiple cards.

Download the application from IPMS/USA and mail today! <http://www.shopipmsusa.org/category-s/100.htm>

The **Butch O'Hare Chicago Chapter** of the International Plastic Modelers Society (IPMS) was inspired by the accomplishments and **heroism of Edward Henry "Butch" O'Hare**, the U.S. Navy's first flying ace and Medal of Honor recipient in World War II. The original members of the organization therefore decided to take his name in memoriam. We welcome all those who have any level of interest in modeling to explore our web site and visit us at our monthly meeting

**BOH Annual
Membership**

Regular \$20
Family \$25
Senior \$15 over 65
Junior \$15 under 18

The American Helicopter Museum & Education Center's mission is to **Preserve** rotary-wing aviation history, **Educate** society on helicopters and their missions & **Inspire** future generations. We will collect, preserve, research, publish and exhibit the objects, artifacts and documents relating to the

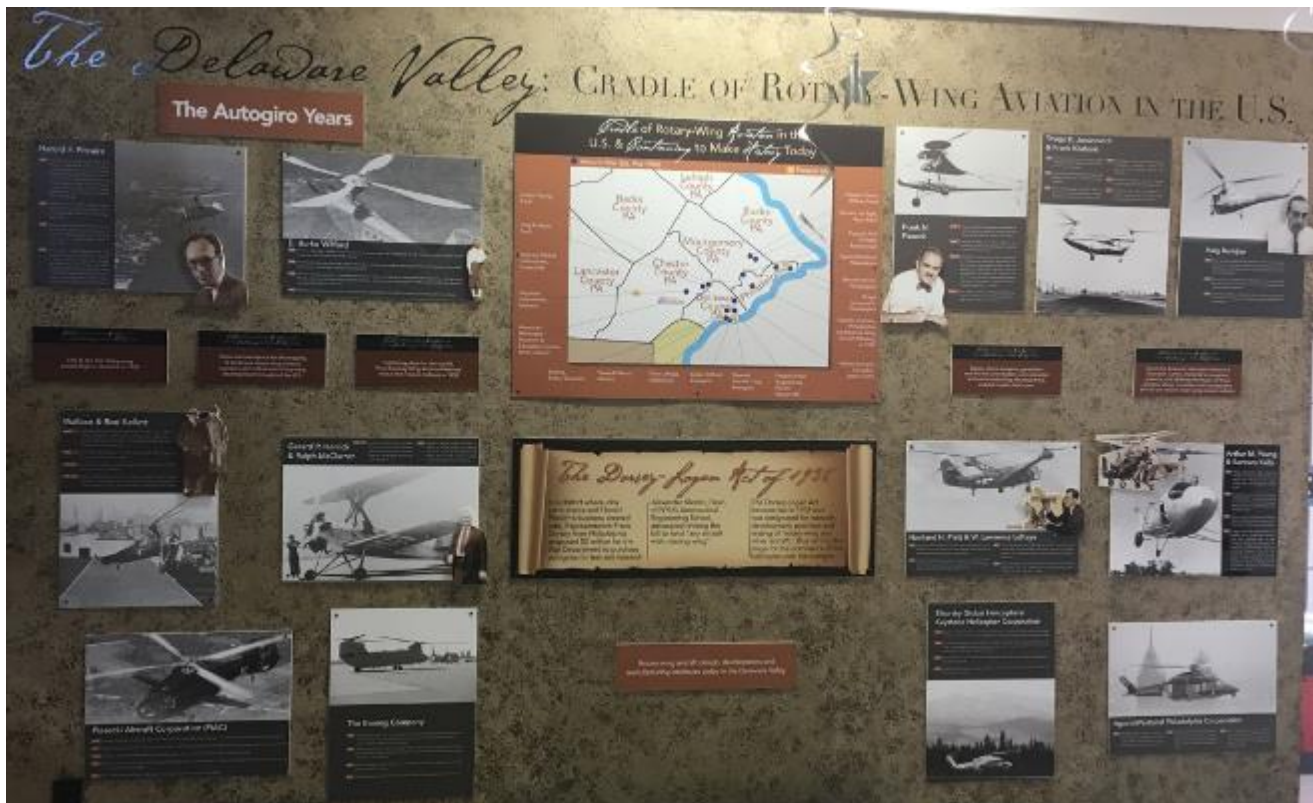

origins and development of rotary-wing aircraft.

Museum Hours_ Wednesday-Saturday: 10 am - 5 pm

Recently I was able to finally visit a museum that I've passed many times on the way to Philadelphia. It is dedicated to helicopters and particularly to their development by East coast manufacturers in the DelawareValley. It has several very nice displays detailing the history of Rotary Wing development and its pioneers such as Igor Sikorsky, Stanley Hiller, Frank Piasecki, Lawrence LePage, Arthur Young and others. Along with the history, are many fine exhibits of actual helicopters. This is a real gem of a museum and it's well worth a stop whatever level of interest you may have in helicopters.
