

MONTHLY NEWSLETTER

Issue: April 2019

Vol 2019-4

From the President's Desk

Dear BOH Members

I hope that you enjoyed last month's meeting. Sorry I was not able to make it. The raffle last month had three items that I thought were good. This month the raffle is going to be super! This month's show and tell theme is all about the different types of glues to use. I hope you will enjoy this one as we had a lot of conversation about the topic when we were setting up the demos. Don't forget you can win \$25 for you model on the table!

For this month's raffle, we have to items to discuss:

1. A P36A Hawk in 1/48 scale by Academy. This kit is loaded with an Eduard Etch Flaps set, a Fine Detail Wheel Set, an AML Decal Sheet for Finnish Service, an Eduard Photo Etch Set for the P36, a Squadron Crystal Clear Canopy, and an Academy Decal Sheet for US Army markings.

2. Hasagewa Kawasaki Ki100 "Tony" Fastback. This kit is loaded with Monte Ki100 Mini Masks, Eduard Photo Etch Set, Eduard Photo Etch Flap Set, Aires Resin and Etch Cockpit set, and True Detail Resin Wheel Set.

I am sure that these two aircraft would make a nice addition to anyone's collection. Tickets will be \$1 each and five for \$3. I hope you buy often and you are the lucky winner! Thanks to all who participated in last month's raffle. The winners are listed in this issue of the newsletter.

The November show is moving along. The executive board will be holding a planning meeting in June to review our program, show layout, and registration process. We will report back to you on a show update once we finish up. New flyers are out with the theme for this year of 'Celebrating the 50th Year Anniversary of Man's Landing on the Moon.' I hope you are giving some thought to modeling this subject as there are a lot of possibilities.

Phil Pignataro sent me an email asking me to remind everyone that NIMCON 8 is just around the corner. The show will be held on Saturday, June 22, from 9:00 AM to 5:00 PM at McHenry County College where it has been held previous years. This is one of my favorite shows to attend and the raffle is great! Plenty of parking and their theme is "D-Day 74 Anniversary". There will be a separate award for the Best D Day Subject. I hope you will all plan on attending and help to support IPMS Lake Region NIMCON 8 show. You can get the latest information at their website:
www.lakesregionmodelers.com

Please check the agenda inside the newsletter for the meeting.

Thanks and Talk to you soon.

Frank C.

The **Butch O'Hare Chicago Chapter** of the International Plastic Modelers Society (IPMS) was inspired by the accomplishments and **heroism of Edward Henry "Butch" O'Hare**, the U.S. Navy's first flying ace and Medal of Honor recipient in World War II. The original members of the organization therefore decided to take his name in memoriam. We welcome all those who have any level of interest in modeling to explore our web site and visit us at our monthly meeting.
