

MONTHLY NEWSLETTER

Issue: May 2019

Vol 2019-5

From the President's Desk

Dear Fellow Modelers;

I hope that you are getting a chance to do some modeling during this rainy springtime. I know that the grass is growing wild, and mowing the lawn is always going to be a chore. I would rather be modeling. Anyways, this month meeting should be a good one! We have two themes for the monthly show and tell. The first is Diorama- any topic, and the second is the 75th Anniversary of D-Day, any related topic. Don't forget that we will vote on the best theme for show and tell. The winner will get a \$25 cash card for their efforts!

We will also have two kits available for raffle this month. They are good ones for sure!

1. Academy Mig 29A Fulcrum. 1/48 scale. This kit is loaded with aftermarket stuff: Aires Wheel Bay, Metal landing gear, Cutting edge Cans & Burners, Eduard wheels and photo etch, Q Boost Corrected nose, Q Boost IR Sensor, Q Boost Sensing units, Black Magic canopy and wheel hub masks, 5 sets of Eduard photo etch accessories. **WOW!**
2. Minicraft, US Army UH-60 L Blackhawk Helicopter 1/48 Scale. This kit has Black Magic Canopy/Wheel Hub Masks, Cutting Edge Instrument Panels and Consoles, and Cobra Company armored seats and wheels

Tickets will be available during the meeting, during our break before the demo. Tickets are \$1 each and five for \$3. These are good kits, so buy your tickets, and buy often!

For this month's demo, Steve Day will be telling us about putting Rust on Models. This will come in handy for all of those models that need to show wear and tear. So bring your note pad so you can take notes!

Our Butch O'Hare show is on track. We are holding a planning meeting on June 15, 2019. This meeting tentative location will be the Downers Grove Library. We will start about 9:00 AM, and finish around 12 Noon. We have planning to complete on the additional space, review of categories, and discuss some possible new categories. Anyone is welcome to attend, or if you can't attend and have any ideas or comments for the show, please send me an email.

Don't forget that NIMCON is June 22, 2019 at McHenry County College where it has been held previously. The theme for the show is "D-Day, the 75 Anniversary". There will be a separate award for the Best D-Day Subject. I hope you plan to attend. This is a fun show, great raffle, and good friendship. Don't forget that the Theme for The Butch O'Hare show is Celebrating the 50th Year Anniversary of Man's Landing on the Moon. I hope your giving some thought to your entries!

I hope to see all of you at the meeting. Please check inside the newsletter for the meeting agenda.

Thanks
Frank C

The **Butch O'Hare Chicago Chapter** of the International Plastic Modelers Society (IPMS) was inspired by the accomplishments and **heroism of Edward Henry "Butch" O'Hare**, the U.S. Navy's first flying ace and Medal of Honor recipient in World War II. The original members of the organization therefore decided to take his name in memoriam. We welcome all those who have any level of interest in modeling to explore our web site and visit us at our monthly meeting.
