Issue: June 2019

Vol 2019-6

From the President's Desk

Our June meeting was bittersweet with the departure of our president, Frank Ciccarella. Frank and his wife Jane made the decision to pull up stakes and relocate to Kansas City. Over his tenure, Frank moved the club forward and spearheaded moving our show to the Holiday Inn in Itasca. His enthusiasm was both evident and contagious. He was always willing to share his skills and despite that he was a Corvette enthusiast, he was never able to get me to join him in the "*Dark Side*" and build an armor kit. Sorry Frank, but my momma never dropped me on my head as a baby so I will stick with my figures and things with wings. Frank, on behalf of the entire club I want to thank you for everything you have done for the club. You will truly be missed.

However, like every organization we must continue to face change and move forward. As I assume the duties of club president on an interim basis, we need to remain focused on our upcoming show and building our club to be the envy of the Region 5.

For our July meeting, we will not have one but two demonstrations. Steve Day (if he actually remembers this time) will demonstrate how to apply rust to your models. I will be showing basic techniques for groundwork on gaming miniatures.

We will have three kits for our monthly raffle. First, we will have a 1972 Chevrolet Corvette. This is a sealed AMT kit and I am sure one of the car guys will enjoy putting this one together. This kit just begs for some kit bashing. We all know the best way to make a Corvette go faster is to simply drop a *HEMI* in it. Next up we have the Sword V-173 Flying Pancake in 1/48 scale. A great kit for a very funny looking aircraft.

Finally, we have the Academy 1/48th Scale Seversky P-35A Fighter – This kit comes with Photo-Etch details and flaps, resin wheels and a vacu-formed canopy. Tickets will be available for \$1 each or 6 for \$5.

So, as we move into this period of transition, there is no better time for new people to step up and play a larger role in the club. So if you are ready to assume a larger role in OUR club, let me know. It's your club...you will get out of it only what you put into it.

See you in July,

Hector

**Thank you,
Frank!**

IPMS / USA

IPMS / USA membership qualifies you to participate in IPMS/USA sanctioned contests, particularly our world-famous National Convention, held each summer. As a member, you'll also be able to access our online discussion boards, where a wide variety of modeling topics are discussed, and enjoy interaction with other serious modelers for help with questions about modeling techniques or IPMS in general. Many hobby shops and model vendors around the country offer discounts to IPMS/USA members.

Memberships are available in several ways:

Junior- 17 years or younger, \$17 per year

Adult - \$30 for 1 year, \$58 for 2 years, \$86 for 3 years.

Family - \$35 Adult membership 1 year plus \$5 for multiple cards.

Download the application from IPMS/USA and mail today!

Celebrating the 150th Anniversary of the Transcontinental Railroad's Completion

Union Pacific's historic Big Boy steam locomotive No. 4014 is touring the Union Pacific system throughout 2019 to commemorate the transcontinental railroad's 150th anniversary.

The Big Boy's return to the rails is the product of more than two years of meticulous restoration work by the Union Pacific Steam Team. No. 4014 is the world's only operating Big Boy locomotive.

Due to the dynamic nature of these operations, running times and scheduled stops are subject to change. The most accurate steam schedule information always will be located on this page.

Saturday, July 27 – Monday, July 29

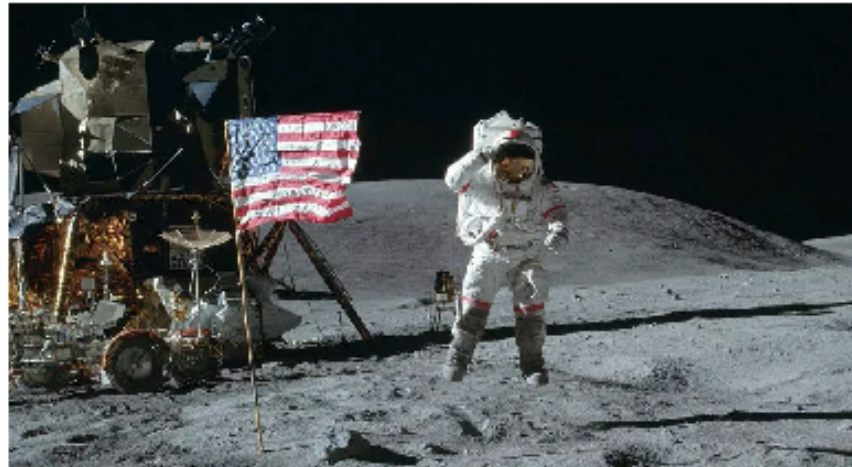

On Display: 9:00 a.m. – 3:00 p.m. CT
West Chicago, Ill.
Union Pacific Larry S. Provo Training Center
335 Spencer St.

Vendor Clean Out by 6:00 PM.

The **Butch O'Hare Chicago Chapter** of the International Plastic Modelers Society (IPMS) was inspired by the accomplishments and **heroism of Edward Henry "Butch" O'Hare**, the U.S. Navy's first flying ace and Medal of Honor recipient in World War II. The original members of the organization therefore decided to take his name in memoriam. We welcome all those who have any level of interest in modeling to explore our web site and visit us at our monthly meeting.
