Vol 2019-9

From the President's Desk

Due to a death in my extended family, I was unable to attend our September meeting. However, I am told that it was well attended and the Show 'N Tell table was once again packed. The theme of our meeting was the annual auction. Thank you to everyone who brought in kits for the auction. I would like to personally thank our auctioneer, my brother from another mother, Steve Day. He stepped into the auctioneer role and handled it with humor and his signature sarcasm. So on behalf of the club – Thank you Steve.

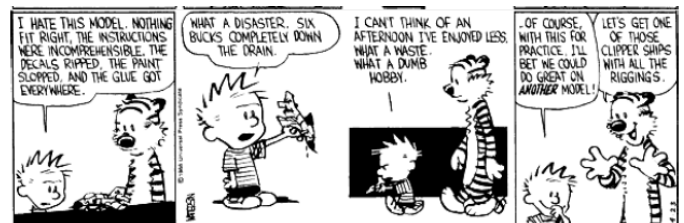

Our show is getting close and we are getting close to crunch time. We are still looking for volunteers to handle all the details that a show of this size demands. We are in need of volunteers to handle admissions (6), Raffle (4), Judging (20+), score tabulation (4) etc. Oh did I mention that we need judges? The more volunteers we have, the smoother the show will be. The show cannot be run nor will it be successful without the help of **ALL** the members. It's our club so.....like I've said numerous times before "you will only get **OUT** of the club what you put **INTO** the club."

The theme for our October meeting is Four or More Engines. It is a perfect time to bring out those multi-engine aircraft, ships and ...whatever. I am not sure what will be on the club raffle table next month. So be prepared to be surprised. We may have a raffle. We may not have a raffle.

Reminder: Officer elections will be at the December meeting. **ALL** officer positions are open – President, Vice President, Secretary and Treasurer. I know that quite a few of you have served as officers for multiple years and in multiple positions. The club cannot continue to exist without a board of officers. If you're thinking of stepping up and helping to move the club into the new year, then there is no better time than now.

So until our next meeting, *Keep on Modeling!!!*

The **Butch O'Hare Chicago Chapter** of the International Plastic Modelers Society (IPMS) was inspired by the accomplishments and **heroism of Edward Henry "Butch" O'Hare**, the U.S. Navy's first flying ace and Medal of Honor recipient in World War II. The original members of the organization therefore decided to take his name in memoriam. We welcome all those who have any level of interest in modeling to explore our web site and visit us at our monthly meeting.
