Hello Hector,

I'm sure you are aware that our model show, NIMCON 9, is less than a month away on Saturday, 18 September, at McHenry County College. Plans are complete and we're really looking forward to actually having a live event. Right where we left off in 2019, NIMCOM 9 will be the Region 5 Contest and Convention, so we expect this will increase attendance and model count. Since you've been to a previous show, you'll recognize the venue, the vendor room, and large raffle. The contest theme is "Out of the Box" which should also help generate lots of entries.

If you check out the Lakes Region Scale Modelers on Facebook you'll find registration forms and other pertinent information. Also, it will have the latest McHenry County College Covid information and protocols for the show. As of now, MCC is requiring masks for all activities on campus. Hope to see you at the show.

Best regards,

Phil

NIMCON Publicity Chairman

The **Butch O'Hare Chicago Chapter** of the International Plastic Modelers Society (IPMS) was inspired by the accomplishments and **heroism of Edward Henry "Butch" O'Hare**, the U.S. Navy's first flying ace and Medal of Honor recipient in World War II. The original members of the organization therefore decided to take his name in memoriam. We welcome all those who have any level of interest in modeling to explore our web site and visit us at our monthly meeting.
