April 2022 Meeting Recap and Other News

President John Novak brought the meeting to order. There were 16 people in attendance. John mentioned that there would be a garage sale coming up on May 21 from 9 am to 3 pm that is similar to a vendor table at our Show. Information on this sale is provided elsewhere in this Bulletin. He also stated that someone contacted him about car models that he wants to unload, but did not know what they may be worth. John did not think that they seemed like prime items.

Treasurer Hector Colón mentioned that our only recent expenses have been our payment to the Church and our deposit for the Fairgrounds for our next Show. The Show date has been confirmed for November 5, 2022, and will again be held in Buildings 2 and 3. We will be hosting the Region 5 IPMS Show in 2024. A discussion was held on when that show should occur. It will most likely be held sometime between spring and early summer, prior to the National IPMS Show that year. We will not have our normal Butch O'Hare Show that year. Hector believes we will be able to get the larger Building 1 at the DuPage County Fairgrounds for the Regional Show. Hector welcomes input from members on whether we should have our November Show in 2023, as it may only be about six months or so from the Regional Show.

Show-and-tell then took place (see these elsewhere in the Newsletter). The show-and-tell theme was "On the Bench and Unfinished Models." Our theme for the May meeting will be "Sci-fi and Fantasy."

James Fulkerson: 1/48 Mercury/Redstone, Glencoe; 1/32 Vipers, Revell.

Bob Frysztak: 1/24 Cadillac STS-V, Revell; the 1/96 USS Constitution saga continues: making the sails.

Bill Vinikour: Return of Reich – Panzerkommandant Jürgen; ¼ scale by Quarantine Studio

This one-piece resin casting represents the “zombie” return of a Panzer tank commander whose tank was blown up during the war. I have done initial painting of the uniform, face, base, and bloody injuries of the commander. Initial detailing of the base has included adding some broken up pumice stones to represent debris. Further gory details, rust flakes and rusted metal scraps, etc. will be added to complete the model. The bust may be added on an elevated portion of a base with a distressed (blown-up) smaller scale Panzer tank model on the lower portion of the base.

Dick Beemer: Tamiya 1/35 M60A1 with Verlinden M9 Dozer

Butch Benja: 1/48 Piper Cherokee, Minicraft; 1/72 L-19, AVI Models

Steve 'Mad Dog' Day: 1/160 Firetruck, Showcase Miniatures; 1/72 Beechcraft RC, Mach One; 1/72 E Wing Mk II, JPG

Al Race: 1/48 Curtiss F IIC-2/BFC-2 Goshawk, Classic Airframes

Jim Pinc: 1/72 Grumman F4F-7, Airfix; 1/48 Bachman Spitfire Mk. V, Airfix.

The **Butch O'Hare Chicago Chapter** of the International Plastic Modelers Society (IPMS) was inspired by the accomplishments and **heroism of Edward Henry "Butch" O'Hare**, the U.S. Navy's first flying ace and Medal of Honor recipient in World War II. The original members of the organization therefore decided to take his name in memoriam. We welcome all those who have any level of interest in modeling to explore our web site and visit us at our monthly meeting.
